Facility Settlement

General Information

General Information

- Each Facility is required to file an annual Medicaid Cost Report. The Medicaid Cost Report was developed to support the prospective payment system (PPS) reimbursement in compliance with Medicare, Medicaid, and SCHIP Benefits Improvement and Protection Act (BIPA) of 2000. The Medicaid Cost Report will be used to collect data required for the facility to receive the PPS rate for services provided to Medicaid, MICHild, and MOMS recipients.
- **THCs are not required to submit a Cost Report**; however, the Facility Settlement system will automatically submit a cost report once the due date has elapsed.
- The Facility Settlement system is meant to be a tool for THCs to use. In the case that a facility does choose to use the Facility Settlement system for cost settlement purposes please follow the succeeding slides.

The screenshot shows a modal dialog titled "Terms & Conditions" for the CHAMPS system. The dialog is overlaid on a dark background that appears to be the Michigan.gov login page. The modal has a teal header with the title "Terms & Conditions". Below the header, the word "CHAMPS" is displayed. The main content area contains the "Terms & Conditions" text, which states that the systems are the property of the State of Michigan and subject to state and federal laws. It also mentions that users are prohibited from using the systems for unauthorized purposes and that they must agree to the terms by clicking on the button below. At the bottom of the modal, there are two buttons: "CANCEL" and "Acknowledge/Agree". A red arrow points to the "Acknowledge/Agree" button. The background page shows the Michigan.gov logo, a "MILogin for Third" header, and a "CHAMPS" section with a "Your password will expire in" warning.
